About The Cat:

Which cat/cats are you interested in adopting?

What behaviours would you find unacceptable, even for a short time?

Are you fully aware of the cost of keeping a cat? **YES / NO**

Are you aware that all cats require annual boosters after adoption to maintain immunity to the diseases covered? **YES / NO** (upon adoption you are agreeing to keep up with annual boosters as part of the adoption)

(If adopting a kitten) Do you agree to keep the kitten(s) in the house until fully vaccinated and Neutered? Neutering, and initial vaccinations, are covered in the adoption fee but you must take them to the agreed vets for neutering upon the agreed date and time. **YES / NO**

Kittens require feeding throughout the day at regular 4 hour intervals and a room to call their own before being given access to the whole house. Do you have the facilities and experience to do this? **YES / NO**

Please give details:

Your Animal Experience:

Have you ever owned an animal before, either on your own or with parents? (If yes, please give details of breed/size and what happened to them? (e.g. died, given away and at what age)

.....

Please give details of any **current** animals in the home, including name, age, species, breed and whether or not the animal is vaccinated

.....

.....

.....

Please note if you are looking to adopt another cat, your current cat must be up to date with vaccines. View of the vaccination certificate will be required at the home visit and at adoption.

Which vets do you plan to use, or have you used in the past?

About your home, work and family:
