**CORPORATE FRIENDS
PACKAGE**

ABOUT US

Your local RSPCA branch

The RSPCA Leeds, Wakefield & District Branch is a rehabilitating and rehoming centre, caring for dogs and cats. Although we work closely with the National RSPCA, we are completely separate charities and therefore, all money we raise from fundraising activities goes directly towards the animals we care for in the Leeds, Wakefield & North Kirklees area.

As a Corporate Friend for the branch, you will be helping us continue to care for vulnerable animals in your local community. Your support will enable our animals to have the second chance they deserve. In exchange for your support, we can help you increase your brand recognition and spread the word about your company with over 29,000 people who follow us on social media alone.
