

**Help us to help more cats and dogs
by leaving a Gift in your Will**

RSPCA

LEEDS, WAKEFIELD & DISTRICT BRANCH

How your gift would help our animals

A gift in a will helped us care for a number of kittens over the kitten season

Ruby gave birth to 12 adorable puppies in 2025. Without a Gift in a will, we would have struggled to have paid for all their vaccinations, health checks and neuter/spaying.

Leaving a Gift in Your Will

The RSPCA Leeds, Wakefield & District Branch CIO is a local rehabilitating and re-homing centre and we rely heavily on public donations and gifts in wills to continue our vital work caring for and re-homing abused and injured animals. We do not receive any government funding and we are a separate charity to the National RSPCA, therefore we are totally reliant upon the kindness of animal lovers in order to continue our work.

Leaving a gift in your will is the only way to make sure your money goes to your chosen charity when you are no longer here. If you have been around pets in your life and they have brought a significant joy to you, remembering the RSPCA Leeds, Wakefield & District Branch CIO is way to help less fortunate animals in the community for many years to come.

How to Leave a Gift in Your Will

It is very important that you specify that the gift should be bequeathed to the RSPCA Leeds, Wakefield & District Branch CIO so that local animals will benefit from your generosity. If it is your wish to leave a gift in your will please clearly indicate your wishes by stating the amount or specify a share of residue to the RSPCA Leeds, Wakefield & District Branch CIO (registered charity number 1210235 and declare that the receipt of the honorary treasurer or other proper officer of the said Branch shall be a full and sufficient discharge of the said legacy.

For any further information about leaving a gift in your will please email Sally on sally.hoyle@rspcaleedsandwakefield.org.uk or call 07714733309
